The Platinum Pay Visa® debit card, by TFG, is designed to allow you to **access your pay for FREE** and avoid the costly usage fees that other card programs charge. To further reduce your monthly expenses, we encourage our cardholders to access merchant locations to buy goods and services and, whenever needed, obtain cash by selecting **“Cash Back”**.

For additional ways of using your Platinum Pay Card, without incurring fees, we recommend the following:

- a) Eliminate money orders by paying bills online or by phone
- b) Check balances and track activity online for **FREE**
- c) Use Platinum Pay for automatic payments provided by your vendor

The Platinum Pay Card allows you to keep your money safe! Funds are FDIC insured and lost/stolen cards are easily replaced with your remaining balance transferred to your new card. You would not be responsible for any unauthorized charges.
